ORLANDO FACTS

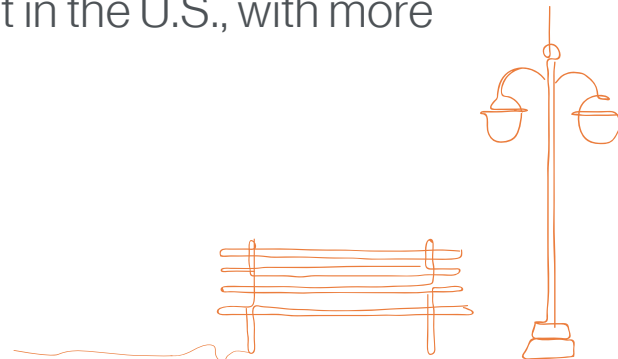

ORLANDO'S EVOLUTION

- Orlando is leading the country in job growth five years in a row, and is the sixth fastest-growing city in the U.S. for work relocations
- With countless new job opportunities, Orlando has become a magnet for young professionals looking to settle down
- Orlando's occupancy rental rates are among the best in all of the southeast, hovering above 95%
- There is committed investment in Orlando's infrastructure, including over \$4.7 billion in capital improvements at the nation's 10th busiest airport in the U.S., and upcoming improvements in transit communication projects; Hyperloop, Brightline, & Sunrail

GROWTH ACROSS ORLANDO

A healthy tourism sector, strong investment in infrastructure and support from some of the biggest names in business. It's no surprise why Orlando is an attractive investment.

- Leading companies like Amazon and Lockheed Martin are building warehouses and facilities, raising Orlando's profile as a suitable home for big business
- Lake Nona, Orlando's "Medical City", a cluster of multiple hospitals and medical education and research facilities, has completely transformed the southeastern quadrant of Central Florida with high-tech, high-wage job growth benefitting all market sectors
- Orlando is home to UCF, the largest state university by enrollment in the U.S., with more than 69,000 students
